**SIOUX FALLS  
SPECIALTY HOSPITAL**

*Innovative and Personalized Care*

**Dear Parents...**

This book is to help you and your child learn about Sioux Falls Specialty Hospital and to prepare you both for their surgical procedure. We encourage you to read and explore these activities together. Sharing this information in a truthful, caring and fun way can help your child adjust emotionally to his or her surgical experience. If you have any questions about the surgical process please contact your surgeon's office or contact us at one of the following numbers:

**Preop Nurses:** (605) 335-4252; **Front Desk:** (605) 334-6730

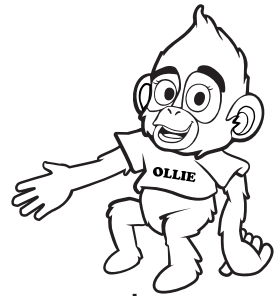

You can also find a virtual tour of the pediatric surgical pathway when you click on Ollie on our website: [www.sfsh.com](http://www.sfsh.com)

We look forward to caring for you and your child.

Sincerely,

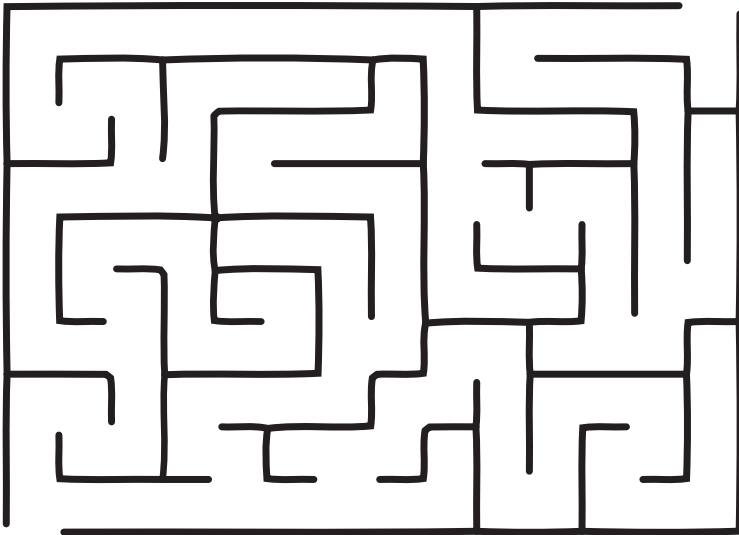

*Pediatric Preop, OR and Postop Surgical Staff*

**Ollie is going to visit a friend at  
Sioux Falls Specialty Hospital.**

Can you help him find the hospital?

Ollie meets his friend, Sophia, and her parents.  
Sophia is going to have surgery. The friendly  
nurse helps Sophia get ready for surgery.

Here are some of the things Ollie and Sophia see  
at Sioux Falls Specialty Hospital.

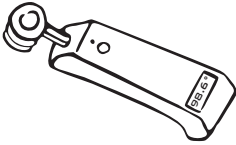

Draw a line to connect the words with the correct object.

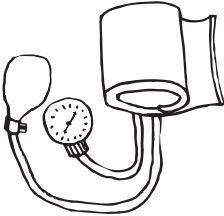

A **thermometer** takes temperature.

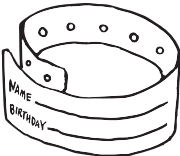

A **cuff** measures blood pressure.

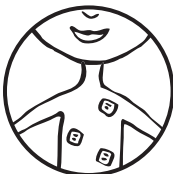

Sophia's name is on an **arm band**,  
which she wears during her surgery.

**Stickers** track Sophia's heart beat.

A **monitor** checks oxygen.

**Pajamas** are comfortable for surgery.

Before surgery, Sophia meets her anesthesiologist in the preop area.

**Surgeon**

This doctor does the surgery.

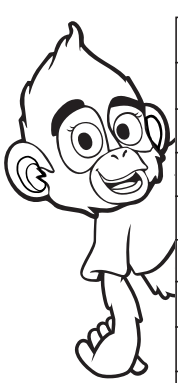

**Anesthesiologist**

This doctor gives Sophia the sleepy medicine. To take the medicine, the doctor puts a mask on Sophia's face. She pretends that she is blowing up a balloon.
